Whether you have an existing Life or Critical illness policy which you may be paying over the odds for or currently have no cover in place to protect your family or home Black Pearl Finance can help.

We are independent brokers who cover the whole of the UK market and because we are not tied to any individual insurance company we ensure our customers get the best cover at the lowest rates.

Helping your club

For every policy which is arranged or switched through Black Pearl we will donate **£50** to the Monkstown Community School Taekwondo Club which will help go towards new equipment and training, OR if your son or daughter are new to the club we will provide them with a new Taekwondo uniform and insurance/membership for 1 year.
